Subject: Thank you from Baghdad

Dear Tim and Tina,

I recently received a box full of books from your business and am writing to express my appreciation for your support for those of us deployed overseas. For many of us here, enjoying a good book really helps to pass the time as we are not able to get out and travel due to obvious security concerns. The areas where we live and work can become confining at times and I for one spend a lot of my free time reading. Please know that all of us here appreciate the many wonderful ways so many of you at home contribute to the effort ongoing here in Iraq. Take care and thank you for your support.

Sincerely,

Joseph
